Injury to Managing Director

The Directors of Nickel Mines Limited advise that Managing Director Justin Werner was involved in a traffic accident on Saturday, 8 May 2021. Justin has undergone surgery and is recovering in hospital in Indonesia. It is expected that he will require some weeks to fully recuperate.

During this time, Justin's duties to the Company will be adequately covered by other Company personnel.

The Directors and management team of Nickel Mines offer their support to Justin and his family during this time and wish him a speedy recovery.
